

## User Guide

In Admin panel you need to enable this module under

**store > configuration > BlueThink Inc > Admin Low Inventory Notification Setting**

There are few options to set Notify On Below

Quantity, Frequency, Start Time, Send Email To, Email Subject

Select Email Sender, Select Email Template, Manually Send

Email Low Inventory Notification.

The screenshot shows the 'Configuration' page for 'BlueThink Inc.' with a sidebar menu on the left. The main content area is titled 'Admin Low Inventory Notification Setting' and contains several sections:

- General Configuration:**
  - Enable Module:** A dropdown menu set to 'No'. Below it, a note says 'Select "yes" to enable module.'
  - Notify On Below Quantity:** A text input field with '10'. To its right is a checkbox labeled 'Use system value' which is checked. Below the input field, a note says 'Enter Qty to define low inventory product.'
- Notification Cron Configuration:**
  - Frequency:** A dropdown menu set to 'Daily'.
  - Start Time:** A time picker set to 00:00:00.
- Send Email To Store Owner Configuration:**
  - Send Email To:** A text input field. Below it, a note says 'For the multiple use comma between emails. For example: abc@example.com,xyz@example.com'.
  - Email Subject:** A text input field with 'Low Inventory Notification.'. To its right is a checkbox labeled 'Use system value' which is checked. Below the input field, a note says 'Enter Email Subject.'
  - Select Email Sender:** A dropdown menu set to 'General Contact'. To its right is a checkbox labeled 'Use system value' which is checked.
  - Select Email Template:** A dropdown menu set to 'Send Notification (Default)'. To its right is a checkbox labeled 'Use system value' which is checked. Below the input field, a note says 'Email template chosen based on theme fallback when "Default" option is selected.'
- Manually Send Email Low Inventory Notification:** A section at the bottom with a toggle switch.

A 'Save Config' button is located in the top right corner of the configuration area.
